

Department of Economics

1.	About the Department	<p>The Department Of Economics is one of the oldest and highly rated department in the College which is established in 1949. The Post Graduate course has been started since 1968. From beginning the department attracted good number of students and the main source of attraction was the leadership provided by Barrister B. K. Patil and Prof. Dr. N.D. Patil. The Department is the biggest in terms of students' strength and faculty in Shivaji University Kolhapur, jurisdiction. It has well equipped computer laboratory with internet and research software. Each class of the department is digital and smart classroom. Departmental Library is the unique feature of the department. Department offers different courses like Agri-business Management, Econometrics and Socio-economic Study Centre for U.G and P.G students under the UGC-CPE scheme.</p> <p>The Research of the department is very strong. The Department regularly organizes various academic activities to develop research culture among the learning community. There are Four research guides in the department and more than 20 students awarded Ph.D degree and 15 students awarded M.Phil degree under their guidance. Major and Minor research projects are completed by the faculty of the department and now they are working on different research topics. Students of the department also be a part of research. Every year the U.G. and P.G. students undertake the research projects related to different issues of economy. Organization of National level seminars, State level seminars and workshops, Village survey, Practical Banking Training, Study tour, State Level Quiz competition, Budget discussion, Panel discussion on different topics, Expert lectures, Celebration of various days related to economics are the continuous activities of the department. Placement rate of the department is very considerable. Alumni of the department is working at various sector i.e. Education, Public Administration, Banking, Insurance, Industry, Agri-business and Self-employment. After conferment of the Autonomous Status to the college by UGC, department has revised its curriculum as per the demand of the market. Innovative teaching- learning method has also introduced. Department is consistently working on the skill development of the student which is very important in changing economic conditions.</p>
